Lamb Nursing Bottle (LFP040)

- Teat:** Screw-in Peach Teats.
Capacity: 2 Litre.
Air bleed for easy feeding.

2/3 Station Lamb Feeding Bucket (LFP044)

- Converts to 2 station, blank cap supplied.
- Converts to 4/5/6 station by boring extra holes (12mm) and inserting lamb teat (LFP042).

Cap & Teat for Lamb Feeder (LFP041)

Converts Milkflo calf feeders with external thread to lamb feeder.

Lamb Cap & Teat for Coke Bottle (LFP043)

Suits any soft drinks bottle.

Lamb Teat (LFP042)

Pull-thru teat for soft drinks bottle and nursing bottle cap.

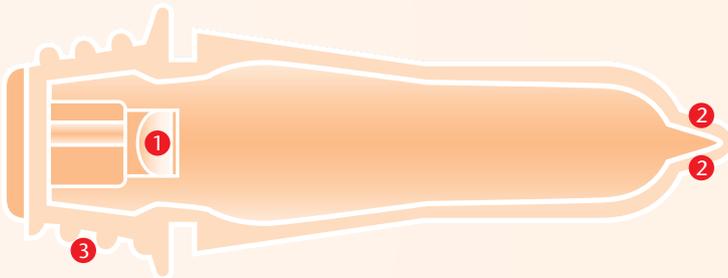

Screw-in Peach Teats (CFP777)

Peach Teat with a Twist

- Milkflo the only Calf Feeder with Screw-In Peach Teat as standard.
- Teat installation on Milkflo Feeders requires a couple of twists.
- Screw-In Peach Teats are easy to remove or replace.
- Screw-In Peach Teats do not need gaskets or seals which can be damaged or lost.

- 1 Unique valve never closes in relaxed state never blocks. Functions like a real cows teat. Always moving while calf is sucking. **Calves love them.**
- 2 Milk opening each side of teat. Teat tip intact to prevent milk leakage.
- 3 Screw in thread for fast, east fitting. A single twist inserts or removes teat for replacement or removal for cleaning and storage.

Pull-Thru Peach Teats (CFP760)

Suits all Calf Feeders, Milkbar, JFC, etc.

Peach Teat Adaptor (CFP450)

Converts Stallion feeders to Peach Teat.

FEATURES:

- Soft flexible rubber
- Closely resembles a cows' teat
- Easily installed/removed
- Leak resistant
- Can be milked by milking machine
- Can be flushed through for easy cleaning
